Dear DPT,

we hereby declare that we have received the licenses of TD 2015, bearing the Key ID: KIDXXXXXXXXXXXXX, etc.

We declare also that we will use these licenses side by side with the licenses of ThinkComputes, already in use in this Company on dongle CMPYYYYY, etc.

We have been informed that the aforementioned TD 2015 licenses were issued in temporary mode and they will work until the end of the maintenance contract signed for the CMP keys in use.

The licenses will be converted from temporary to permanent exclusively against the return of the above-mentioned CMP keys.

Kind regards,
