Example 1

Location, date

Dear DPT,

we hereby declare that our workstation, whose machine ID was <u>XXXXXXXX</u>, is no more present at our Company.

Therefore, we are not able to export the old license as required by DPT policy. We understand that this will result in the conversion of our permanent license (PL) into an annual temporary license (ASP).

We are aware that such self-certification form can be shared with those organizations that, by order of DPT, certify the presence of software applications' licenses in the companies.

Kind regards,
